

1st Rate Insurance is excited to announce our new "Stimulate the Economy" Program.

Everyone wants to save some money and have some extra cash in their pockets to spend. That's why we've come up with our easy program to do just that.

Chances are you were referred to us by one of our current clients, maybe your friend, co-workers, family member or even your neighbor. We took care of them and most likely saved them a lot of money in the process. That's why they referred you to us so we could do the same for you!

Now help us stimulate the economy by putting some money back in everyone's pocket.

As a small business, your referrals mean a lot to our agency and are the *key to our continued growth and success*. You've not only entrusted us with your insurance needs but also with your personal referrals which we sincerely appreciate.

So our way of saying **THANK YOU** is with our new program. It's a win/win for everyone involved. The person you refer saves money on their insurance, you get free gas and a chance to win even more great prizes and we gain a great new customer. Of course, we'll provide anyone you refer with the same great service and prices we strived to provide you. Everyone wins and we all do our part to grow our economy.

Here's how the "Stimulate the Economy" program works.

**Each time** you refer anyone\* to us for a no-obligation free insurance quote, we'll automatically:

1. Send you a **\$10 Gas Card** to Thank you for having them call us,
2. Enter you in our *Monthly drawing* for a **\$50.00 Gas Gift card**,
3. Finally you'll be entered in our *Annual Grand Prize* drawing for a **250 Gift Card!!!** (Drawing date August 15th)

No purchase is necessary to receive any prizes and the more people you refer, the more chances you have to win!!!

So help us stimulate the Economy by putting some extra money in everyone's pocket.

Our best clients call us because you personally recommended them to us!

All you have to do is say four simple words, **"Call 1st Rate Insurance"** and give them one of our business cards. Make sure they mention your referred them. They'll thank you and so will we.

Program Rules and Disclaimers

- So what qualifies as a referral? A referral is when we get a call for a legitimate insurance quote from someone saying they were referred to us by you. (Don't worry, we always ask who referred them to us)
- The person you refer doesn't have to purchase a policy from us (to count as an entry) if we're not competitive but must be a legitimate potential customer willing to switch insurance if we beat or match their rate.
- There is no limit on the number of chances to win. Odds of winning are entirely dependent on the quantity of referrals at the time of drawing. The more people you refer, the better your chances to win or monthly and grand prize.
- For our annual grand prize drawing, each referral you've given throughout the year equals one entry for our Grand Prize drawing happening in the 2nd week of August.
- Our referral program is open to anyone who refers legitimate potential customers, whether they're a client or not.
- This offer is NOT in connection with, or inducement to buy any insurance product from 1st Rate Insurance. We reward the referrer for the lead only.
- You do not have to be present to win any of the prizes. Winners must agree to allow us to promote that they are a winner if requested by us.
- Stimulate the Economy referral program can be cancelled at anytime without notice.
